OTSEGO COUNTY FAIR ASSOCIATION, INC. RULES AND REGULATIONS (Rules subject to change without prior notice)

All rules and regulations published in this book are made a part of the conditions under which all entries are accepted, or exhibit space of concessions licenses are granted.

The Otsego County Fair Association, Inc. management reserves the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions, and differences in regard thereto, or otherwise arising out of, connection with, or incidental to the Fair.

The management reserves the right to amend or add to these rules and regulations as in its judgment may be deemed advisable.

Any person who violates any of the following general rules and regulations or any special rule or rules shall forfeit all privileges and premiums and be subject to such penalty as the management may order.

Make entries to: **Otsego County Fair Association, Entry Clerk, PO Box 469, Morris, NY 13808. Phone 607-263-5289.**

- 1. Time for Making Entries.** Entries may be made by mail or personally at any time after this list is received. Exhibitors are required to make themselves acquainted with the premium book and regulations so as to make certain in which sections and departments their entries belong as well as period of exhibit. Exhibitors must use separate blanks for entries in each department.
- 2. Place for Making Entries.** Entries may be made by mail or in person at the Office of the Entry Clerk, Fairgrounds, Morris, NY. Checks should be made payable to the Otsego County Fair Association, Inc. Tags will be held at the Entry Clerk's Office, where they may be called for.

3. **Bounced Check.** Any returned checks will be charged the bank fee plus \$40 return check fee.
4. **Closing of Entries.** Entries cannot be made after the closing date specified for each department on the Entry Clerk's calendar.
5. **All exhibits must be entered in the name of a bona fide owner,** such ownership to have existed at least 30 days previous to the time of the showing, unless exhibited by the original producer or fabricator of the article exhibited and proof of ownership must be presented by the exhibitor on request of the Fair Association. No judges or superintendents shall be permitted to enter exhibits in competition for premiums in the department with which they are connected.
6. **Examination of Entry Cards.** Exhibitors are requested to examine their entry cards at the time of making entries so that if any mistakes have been made, they can be corrected. No person can make any change or withdraw any article entered for competition or exhibition after having once entered it. **THIS RULE WILL BE RIGIDLY ENFORCED IN ALL DEPARTMENTS. THERE WILL BE NO REFUND ON ENTRY FEES.**
7. **Display of Entry Tags and Ribbons.** An entry tag must be attached to each exhibit in Canham Building and the Antique Departments. This tag will be furnished by the Entry Clerk, after entries have been made. All entry tags and ribbons must be displayed during the exhibition. No consideration will be given by judges to any article to which the entry tag is not attached. The judges will not award a premium to any animal or article which has not been properly entered.
8. **Entries Limited to Capacity.** All entries will be limited to the capacity of our present buildings, and will be recorded in the order received. The management reserves the right to reject all entries after the capacity has been reached. No animals or article will be entitled to a place on the grounds until a proper entry thereof shall be made.
9. **Competition Defined.** Competition is defined as a contest for supremacy between two or more products, or articles or animals owned by separate exhibitors. **Exhibitors having no competition in a class or section will be awarded as judges think deserved unless otherwise noted** under Special Department Rules and all premiums shall be awarded subject to the action of the Board of Directors.
10. **Only exhibitors may purchase an exhibitor pass.** Please see Entry Clerk for purchasing Fair passes.
11. **An exhibitor may show as many animals as he has entered in single classes,** but may receive only two premiums per class. All animals shown in group classes must have been shown in their individual classes.
12. **Computation of Ages of All Animals.** The ages of all animals must be given, and satisfactorily verified, if required. Ages of all animals shall be computed from January 1st, to determine in what classes the animals shall be entered. (Except as otherwise noted.)
13. **Display of Exhibits and Animals.** Exhibitors must show their exhibits whenever and in such a manner as required by the executive offices in charge of the department. All animals will be shown in the ring and exhibitors must be ready to bring them out when called, for either judgment or parade. All livestock

exhibitors must maintain a clean, attractive exhibit during the entire week. Failure to do entails forfeiture of all prizes.

- 14. Placing of Exhibits.** All exhibits must be in place at the proper time, on the opening day of the Fair, except as otherwise noted.
- 15. Removal of Exhibits.** No exhibit may be removed from the display until after 8:00 pm Sunday, except livestock: cattle 6:30 pm; sheep and swine 7:30 pm; goats 8:00 pm; horses 8:30 pm **with the exception of 4-H auction animals ONLY**—see director in charge to remove animal. Exhibitors showing more than one species of livestock must abide by the latest time of release if trucking more than more species at a time. This rule will be rigidly enforced, and it is the purpose of the management to have all exhibits on the closing day equally attractive in every department at any time during the week.
- 16. Exhibitors Responsible for Entries.** The Fair Management will not be responsible for the omission if any article or animal not entered strictly in accordance with its rules.
- 17. Stalls and Forage for Animals.** Stalls or pens for livestock will be ready for exhibition stock one day prior to Fair opening, until the close of the Fair. No feed or bedding of any description will be furnished to livestock or poultry during the exhibition. There will be a fee of \$3.
- 18.** All animals exhibited must be registered in their respective herd books, unless entered in commercials, grade or market classes. Registration name and number must be given at time of entry. All registration certificates must be available for examination by the Department Superintendent at any time.
- 19. Tickets.** Admission to grounds by **ticket only**.
- 20. Entry Fees.** All exhibitors will be charged an entry fee on each article entered as defined by Department Rules.
- 21. Liability.** Every possible protection
- 22. Payment of Premiums.** Premium checks will be paid to the winners of the various awards as shown on the Judge's records. Exhibit taken from fair prior to published release time will forfeit premiums. In paying premiums, no evidence of award shall be recognized except the Judges' book properly signed by the Judges and not from ribbons that may be attached to exhibits. Should stormy weather or unavoidable occurrence interpose the fair to reduce the net receipts below the required premiums, the Management reserves the right to pay premiums on a prorated basis after all expense is paid. Premiums will be paid within 60 days of the close of the Fair. **All checks issued for premiums must be presented for payment within 60 days from the date of issuance. Any check not cashed within the 60 days will be considered a donation to the fair.**
- 23. Protests.** All protests must be in writing, must state plainly the complaint and must be delivered to the Secretary within 6 hours after the cause of the protest, with a deposit of \$25.00.

- 24. Judges.** As far as possible, the single judge system will rule and great care will be taken to select those who are qualified. No person or persons will be allowed to interfere with the judge in the discharge of their duties. Persons wishing to explain in regard to their exhibits can do through the Superintendent of the Department. In case an animal or article has not been entered, the judge must not award a premium or have it entered after entries close. No consideration should be given by the judge to any article to which the entry tag is not attached. When judges have reason to doubt the pedigree of any animal or bird, or the presentation made on any article, they must report at once to the Superintendent of that Department, who will gather such evidence as they can at the Secretary's office or by other methods. Where exhibits have been erroneously entered, the judges may have the same corrected by an Entry Clerk before they judge the class, but not after. **No additions to or changes in the Judge's Record shall be made by any person except an Entry Clerk.** The decision of the judges shall be final in all classes.
- 25. Advertising Restrictions.** Under no circumstances will any person or firm be allowed to place any advertising matter upon buildings, trees, or other places on the grounds, nor will they be permitted to distribute advertising matter outside the place assigned to them.
- 26. Sale of Goods by Exhibitors.** Exhibitors will not be allowed to sell goods without permission (though they may receive book orders) nor will they be allowed to call attention to their wares in a noisy or disorderly manner.
- 27. Soliciting Prohibited.** The circulation of subscription lists or soliciting in any manner, for whatsoever purpose, will not be permitted in any building, or on the Fairgrounds other than in regularly authorized concessions, and in these excepted instances only upon the written authorization of the officer in charge.
- 28. Radios, etc.** All sound producing must be of such nature as not to cause annoyance or inconvenience to visitors or other exhibitors. Permission for use of must be first obtained from the Board.
- 29. Exhibitors Erecting Separate Buildings.** Exhibitors wishing to erect separate buildings or additional work building should make their requests to the Board. In all cases the exhibitors must bear the expense. Any structure erected and not removed within ten (10) days after the close of the Fair, shall become property of the Otsego County Fair.
- 30. Electric, Lights and Power.** Charges for electricity and wiring shall be made to exhibitors and concessionaires in keeping with schedule on file in the Director's office which will be furnished upon request. Only electric and gas stoves will be allowed in buildings.
- 31. Delivery Trucks.** No supply trucks or wagon will be admitted to the grounds any day of the Fair after 10:00 am. The Fair Management reserves the right to exclude any and all delivery vehicles, if in their judgment their methods are detrimental to the best interest of the Fair.
- 32. Parking.** Automobiles and all other vehicles must be parked in spaces designated by the Management and not elsewhere. The Management shall not be liable under any circumstances whether of negligence of itself, its agents, or otherwise for any injury to his or her person for any loss or injury to his or her property.

- 33. Illegal Activities.** Any person found practicing an illegal activity will be immediately escorted from the Fairgrounds.
- 34.** The Otsego County Fair will be held in Morris, New York as stated on the front cover, both dates inclusive unless postponed or cancelled as a result of War, Acts of God, Government regulations or any other reason.
- 35.** Failure to abide by any Fair rule or failure to cooperate with any Superintendent or official will result in forfeiture of premiums and exclusion from next year's show.
- 36. To ensure the safety of our exhibitors, traffic through the barn gate and around the barns and show ring will be limited. Participants shall limit their vehicular use for delivering feed, etc. to early morning before show times. The barn gate is locked at 10 pm.**

BECKY BARRINGER & AMY PROSKINE —SUPERINTENDENT

All Breeds will show Friday Starting at 9am- No breaks for Milking Classes

Stall Decorating Contest Theme: A Timeless Tradition

All exhibitors must read and adhere to the general rules, New York State Ag & Markets regulations, and the IAFE Code of Show Ring Ethics as published in this publication.

Due to the severe penalties imposed by the State of New York Agricultural Department for the contamination of milk by antibiotics, we are forced to abide by the following rules and regulations:

1. If antibiotics are detected in the milk, all users of the parlor will have to supply a milk sample for each milking animal. Individuals or parties found having antibiotics in milk, which was processed through the parlor, will be liable for all financial loss created by contamination. We regret having to take such severe measures, but find it necessary to protect all those individuals using the milking facilities.
2. The Association reserves the right to accept or reject any entry, and to return any entry fee before the opening or judging of the show without being liable for compensation.
3. The buildings and milking facilities will be in readiness for all pre-entered cattle on the Monday of fair week and until the morning following the closing of the Fair.
4. EXHIBITORS MUST REPORT THEIR ARRIVAL TO THE CATTLE SUPERINTENDENT WHO WILL HAVE STALLS ALLOTTED.
5. ALL ANIMALS MUST BE CHECKED BY STATE VET.
6. All animals will be shown in the ring, and exhibitors must be ready to bring them out when called for judging and upon request of the Superintendent, exhibitors must provide animals to be used in a 4-H or FFA Judging Contest.
7. All exhibitors will be charged a \$3.00 per animal stall fee. Stall assignments will be based on the actual number of animals checked in for the fair. The Dairy Superintendent will assign spaces for the animals.
8. A limited amount of hay and/or straw will be allowed to be stored in the barn area. Large round bales or large square bales must be stored outside. The Dairy Superintendent has the final say on the amount of feed/hay/straw storage in the barn area.
9. Any exhibitor removing animal from the ring before the animal has been dismissed by the Judge will forfeit the premium for that class.
10. Exhibitors not reporting to the ring after the last page of their name will forfeit entry and may not show in that class.
11. Registrations for the respective breeds must meet national show requirements.

| 2 | \$3.00 | \$2.00 | | | | |
| 1 | \$2.00 | | | | | |

Contest will be based solely on the number of “crows” recorded during specified periods and not the volume, tone or musical quality. The male having the most crows recorded to his credit at the end, will be declared Champion. This contest has much practical value, as crowing indicates vim and vigor. Crowing contests have been a feature of Brussels, Belgium shows for many years, the theory being that the lustily crowing male is a worthy mate

for the thrifty laying hen. All breeds and varieties of poultry entered in the regular classes are eligible. No entry fee is charged. No more than two males may be entered by one exhibitor.

Exhibitor is to be present and is responsible for seeing their bird(s) are placed in competition and returned to their own coops. Superintendent to determine cooping arrangements in this event. Entry fee is 10% of First Premium in this section.

COUNTRY STORE

**DORA COOKE AND MARCIA REHRMANN—SUPERINTENDENT
CLEMENTINE DEFOREST—TREASURER**

STORE HOURS: WED- SAT: 10 AM- 10 PM; SUN: 12 NOON- 8 PM

Items exhibited in Canham Building cannot be offered for sale or purchased by visitors. In 1965 the Country Store was established so that fair-goers could purchase the type of crafts, clothing, baby items, toys, plants and other hand-made goods similar to those entered in the fair for prizes and blue ribbons. Anyone having items for sale may place them in the Country Store on consignment. Each item must be new, made or grown by the individual consignor.

Consignments may be brought in Sunday from 1:00 pm-5:00 pm or Monday 10 am-12:00 pm. No merchandise will be accepted after the store opens Tuesday.

Obtain inventory sheet for listing your items as well as a store number by calling one of the numbers listed at the bottom. On the inventory sheet, print your name, address, telephone number and put your store number in red (and circled) in the upper right hand corner of your sheet. List each item separately, one per line, number each item, name the item and give a brief description as to color, size, etc. and the price. Make a copy of your sheet (S) for yourself before you bring it with your items.

Make a tag for each item, using all information shown above (item number, item description, etc., price and your store number, in red and circled). Please do not use sticky tags or straight pins. Fasten the tag SECURELY on the corresponding item. This tag will be removed and kept at the time of sale. Tags should be easy to remove. If you wish to place a second tag identifying yourself or your business or providing care instruction, etc. you may do so. This second tag will not be removed.

The Country Store retains a commission according to the number of shifts worked during fair week. We will retain 10% for two (2) or more shifts, 20% for one (1) shift and 30% if no shifts are worked. A shift consists of four (4) hours. You may sign up at the check-in desk for the shifts you can work. Please work if you can. All commissions you pay are used for upkeep of Canham Building.

No merchandise will be sold after 8:00 p.m. Sunday. NO Merchandise can be collected or packed up before 8 pm Sunday. Merchandise can also be picked up from 10am – 12 noon on Monday morning. Any merchandise left after 12 noon the Monday after the Fair closes will become the property of the Fair and will be disposed of at their discretion. If you send a second party to pick up your merchandise, please provide them with written permission to collect your items and money.

The Country Store is not responsible for lost or stolen items.

Need more information? Call Dora Cooke (607) 547-8321 or Marcia Rehrmann (607) 263-5563

12. No portion of tractor or weights may interfere with sled or hitching of sled
13. No protruding bolts shall extend more than 8" from wheel.
14. No one-Front Wheel tractors allowed except "factory made" or better.
15. Only original tractor block not truck motor blocks.

Safety and Tractor Operations

1. **No alcoholic beverages will be allowed.**
2. Bottom of front tires will not be allowed to rise more than 36" off the ground. Determination of height will be decided by the judge's eye where wheel bars are not present. The decision of the judge will be final. Contestant's pull will be measured from the point at which he is stopped. This is for tractors not equipped with wheelie bars.
3. Tractors must be operated in a safe manner at all times.

4. Operators must remain in their seats during the pull and have complete control of the tractor at all times.
5. No drivers will be allowed to pull under the influence of alcohol, drugs or any medication that impairs ability.
6. No weights may be placed on seat, footrest, or platform of tractor.
7. Contest will be governed by judge(s) with all decisions final. Judge(s) have the right to stop and disqualify any tractor if it is operated in such a manner as to be considered unsafe.
8. All tractors must be in neutral or park transmission selector while being hitched or unhitched from sled.

Contest Rules

1. Only one pull allowed per tractor in class unless a tie is declared. Once past the 50' mark, official pull will be counted.
2. If a pull-off occurs, contestants have only one attempt to move the sled. Contestants must pull-off, not splitting of positions. Judge(s) decision will be final.
3. All pull start from a tight hitch. No jerking is allowed. If the first attempt is stopped at 50' or under, contestants will be allowed a second attempt to start sled and/or change gear selection.
4. All drivers will obey flagman's signals and tractors must stop immediately up on signal from flagman. No hole digging is allowed.
5. Tractors must remain within boundary lines of tract during pull or they will be disqualified.
6. The first contestant in each class will only pull in third position if sled adjustments are necessary.
7. The pull shall be considered over when forward motion of the sled stops.
8. Any ballast, weights, or external parts lost while hooked to sled will cause disqualification.
9. Tractors will be weighed with driver immediately before the official pull. Drivers will take tractor from weighing station to staging area for pull in process. Judge(s) have the right to weigh and measure any tractor after they pull. Drivers will be responsible for having tractors within weight limit or be disqualified. A random check of weight and hitch may be conducted after pulling at the discretion of the Association
10. Each contestant must sign a statement relieving the Otsego County Fair Association, Inc along with others stated within the release form of any liability in case of accident or personal injury.
11. Operator Must be 18 years old to participate in alter farm
12. Hitch must be 3 ½" long and 3 1/2" wide

Antique (Paced Tractors)

- 1 Same rules as other classes except: Tractor and drive train must be manufactured prior to 1960
- 2 Must be STOCK appearing.
- 3 No Cut tires
- 4 Must have WORKING governor.

Out of Field

1. Any tire size may be used for any and all classes
2. No alcohol, other racing fuel, or pressurized fuel is allowed except on manufactured LP gas tractor.
3. Factory engine blocks.

Alter Farm (Saturday Night)

Classes

5500 lb.

6500 lb.

1. Tractors in these classes may use “belly bar” brackets for securing suitcase or wheel weights ahead of rear axle.
2. All tractors must have stabilizer or “wheelie bars” which meet the following specifications: Should be 10” behind the point of contact of the ground and the tires and no more than 8” off the ground with at least a 5” square pad capable of supporting the weight of the tractor. All “wheelie bars” must separate from hitch.
3. Tractors must have “kill switches” for connection to the sled. All ignition systems must have switch in working order and all diesel ignition engines must have an air shut-off valve control, both to be within easy reach of driver and/or sled.
4. Tractors must have engine side shields, minimum 1/8th thickness.
5. Tractors must have a 6-strap safety blanket for the flywheel and clutch or same incased with a steel ¼” thickness.
6. One turbo charger is allowed and must be adequately shielded.
7. Tractors must be stock appearing and equipped with a hood, grill, etc.
8. Wide front ends, seat belts, and fenders will be required.
9. Up to 3 inch unaltered Turbo
10. Must have cross X on exhaust side, 2” from the turbo.

PRIZES AND CLASSES

1st \$75, 2nd \$50, 3rd \$30 for all Antique and Out of Field

FOUR WHEEL DRIVE TRUCK COUNTY FAIR PULLING ASSOCIATION RULE BOOK

Please read all rules and the enclosed registration sheet.

- 1.** Registration will close 30 minutes before the listed start time.
- 2.** Driver **ONLY** will be admitted to the pit area at NO CHARGE. All others entering the pit will be required to pay admission fee and sign insurance release waiver.
- 3.** Entry Fee \$30.00 cash only (no check, credit or debit).
- 4.** Truck may be entered only once per class unless otherwise stated by the Director of Competition (no multiple drivers).
- 5. NO TEST HOOK.** If the sled is reset all pullers who previously pulled will re-hook immediately. Floating finish line may be used at the discretion of the Competition Director.
- 6.** Any truck that is not in line and ready to pull when called will be immediately disqualified. No refunds.
- 7.** Any competition vehicle MAY be required to undergo an additional weigh in or tech inspection at any time at the sole discretion of the Competition Director or Head Tech Inspector.
- 8.** ALL drivers are required to attend the drivers meeting prior to the event. (No exceptions)
- 9.** Competitor has 2 attempts at pulling, unless the first attempt exceeds 75 feet. In the event of a pull off the 75 foot rule does not apply, and it will be a floating finish line.
- 10.** 4 Truck minimum, if there are less than 4 trucks 3rd place money will be given.

CLASSES:

7000LB Workstock Gas

- 1. The Street Legal Gas** class is designed for daily driven, on the road pickup trucks (full-bodied gas pickup truck). Valid DOT registration, license plates, insurance, and matching valid state inspection the state the vehicle is registered are mandatory. No dealer, repair, farm, or temporary plates allowed. The vehicle must be four-wheel drive.
- 2. Ballast:** Ballast is permitted. Hanging front weights are prohibited. Ballast may be added in the bed of the truck only, no hidden weight or ballast in the cab. If used, ballast must be securely fastened to the bed of the truck. Final decisions rest with the tech official.
- 3. Batteries:** The batteries must be securely mounted. They cannot be in the driver compartment or forward of the radiator core support.
- 4. Body:** The body must be an OEM truck body, including the full bed floor. The body must retain all original sheet metal after- market hoods are permitted. The complete OEM firewall and OEM floor pan is mandatory.
- 5. Brakes:** Four-wheel hydraulic brakes are mandatory and must be functional.
- 6. Chassis:** The OEM chassis is mandatory. The engine must be in the OEM location for the body being used. The vehicle must retain the full OEM chassis. Wheel tubs, back half conversions, tube chassis, etc. are prohibited.
- 7. Cooling System:** Radiators must be in the stock location and must be of at least stock size.
- 8. Credentials:** All drivers must have a current valid state driver's license and registration.
- 9. Driveline:** An OEM transmission and transfer case are mandatory. They must have been an option on a one-ton or smaller pickup. Front and rear axles must also be from a one-ton or smaller pickup (no 5/4 ton axles).
- 10. Driver Restraint System:** The OEM restraint system is mandatory and must be worn.
- 11. Engine:** Maximum engine size is 500 cubic inch and must be correct manufacturer and size that was

a factory available option for that year and make. Engine cannot be bored more than .030 over stock diameter. Engine cannot be stroked, must retain stock stroke. Only type intake manifold and one single feed four-barrel carburetor limited to 750 cfm maximum. No aluminum heads or aluminum engine blocks unless equipped from the factory. No nitrous oxide allowed and any nitrous bottles must be removed. Air cleaner in the stock location is a must and hood cannot be cut/altered to allow protrusion of the air cleaner. Factory fuel injection body system allowed.

12. **Engine** must be naturally aspirated unless otherwise equipped from the factory (i.e. Ford EcoBoost).

13. **Exhaust:** Exhaust must exit behind rear tires. No open exhaust allowed. Muffler is a must. Exhaust must pass state inspection standards for noise level. Exhaust must also pass state inspection emissions regulations if applicable. Aftermarket headers with a tube size of 1.75" diameter or less are allowed on small blecks only.

14. **Fire Extinguisher System:** A fire extinguisher system is permitted. It must be securely mounted and it is recommended that it be within easy reach of the driver.

15. **Fuel:** Maximum 93 octane pump gas only; higher octane fuel, race fuel, methanol, or any octane boosters/additives are prohibited. Judgement call of the tech official regarding if prohibited fuels are smelled when going over the scales or competing, so if you ran race fuel in the past be sure to flush your tank.

16. **Fuel System:** The OEM fuel tank is mandatory and must be used. Racing fuel cells are prohibited and must be removed from the vehicle.

17. **Hitch:** The hitch must be a receiver-style hitch; reinforcements are permitted.

Reinforcements must not extend forward of the centerline of the rear axle. The hooking point must be in the rear most point on the vehicle and must be rearward of the stock location of the tailgate. When backing into a vertical wall, the hitch point must be the first thing to hit before the bumper, bed, or other parts of the truck body. The hitch must be horizontal to the ground and stationary in all directions.

18. **Bumpers:** May be notched but must be retained. The hitch's height from the ground may not exceed 26 inches. The hooking point must have a minimum 3.5 x 3.75 inch inside diameter opening for the sled hook.

19. **Ignition:** Must utilize the stock ignition system or a distributor style aftermarket system. Aftermarket ignition boxes are prohibited.

20. **Interior:** A complete interior, including dashboard, door panels, headliners, etc., is mandatory. Two matching front seats are mandatory. Aftermarket seats are permitted; they must be fully upholstered. All factory controls (lights, signals, horn, windshield wipers, etc.) must be retained and be operative. The uses of hand-throttle controls are prohibited.

21. **Rear End:** Non-OEM rear-end housings are prohibited. It must have been an option on a one-ton or smaller pick up.

22. **Steering:** The vehicle must retain the full, original OEM steering gear. The vehicle must retain the original OEM power steering assistance, if it was so equipped.

23. Additional stabilizers are permitted. Non-OEM power assist methods are prohibited.

24. **Street Equipment:** Complete headlight and taillight assemblies (all) are mandatory and must be operative. Complete OEM windshield and windows are mandatory.

25. **Windows:** Must be operative per factory specifications: that is, they must open and close via OEM electrical or mechanical means.

26. **Suspension Front:** The upper mounting point for strut assemblies must be in the factory location. Adjustable caster/camber pillow ball mounts are permitted. The lower control arm may be strengthened provided factory-mounting points to chassis are maintained. The lower mounting point for the strut assembly may be modified for improved caster or camber. Strut tower braces, lower tie bars, sway bars, and limit straps are permitted. Front traction bars are prohibited.

27. **Suspension, Rear:** An OEM-style suspension is mandatory. All OEM suspension mounting points

must be retained and used. All rear suspensions must use at least one working shock absorber per wheel. Limiting straps prohibited. Rear suspension blocks are prohibited with at least 2" of suspension compression from ride height. Air bag spring assistance is prohibited; air bag compressors must be disconnected.

28. **Rear traction bars or ladder bars are PERMITTED.** This is for Safety: Half ton ONLY!!!!

29. **Tires:** The tires must be DOT approved tires. Cut tires, studded tires and tire chains are prohibited. Dual rear wheels are prohibited.

30. **Torque Converter:** Lock up torque converter boxes and controllers are prohibited.

31. **Transfer Case:** Non-OEM transfer cases are prohibited. The transfer case must have been an option on a one-ton or smaller pickup truck.

32. **Wheelbase:** The vehicle must retain the original factory wheelbase and track width.

33. Front and rear wheels must have same wheel offset. Final decision resides Fair Tech Officials.

34. No jumping up to next class.

35. Vehicle must be driven into the Fair grounds.

6800LB Altered Work Stock Gas

This class is setup for the grey area trucks that may be underbuilt for the “Enhanced Gas Class” but are overbuilt for the regular “Work Stock Gas Class”. Truck must still be registered, inspected, and insured.

Truck **must** still drive into the fairgrounds.

1 BODY: Body must be a complete OEM truck body. Must have a complete factory truck bed, including sheet metal floor and bedsides. Cab must have a complete interior, including a factory seat. Front fenders may be trimmed for tire clearance, but must have factory inner fender wells f. Must have a hood and hood must remain latched while competing.

2 BALLAST: Ballast is permitted. Hanging front weight is prohibited. Ballast may be added in the bed of the truck only. No hidden weight or ballast in the cab.

3 Batteries: Batteries must securely mounted in the factory location. No additional batteries may be added in other locations.

4 Brakes: Factory functioning 4 wheel brakes are mandatory.

5 Chassis: OEM ½, ¾, or 1 ton frame is mandatory. Full length of factory frame is required. Back half conversions or tube chassis are prohibited. Engine must be mounted in factory location on frame.

6 Driveline: OEM transmission and transfer case are required. OEM Front and Rear Axles are required. All Driveline components must be from 1 ton or smaller pickups.

7 Engine: Engine must be naturally aspirated. Factory intake manifolds only. Factory exhaust manifold only. Factory cast iron cylinder heads only.

8 Carburetors: Single feed factory flange 750CFM or smaller carburetors only. No Dominators or Dominator flange carbs.

9 Exhaust: Factory cast iron exhaust manifolds are required. NO HEADERS. Mufflers are mandatory and exhaust must extend at least behind the cab.

10 Fuel system: Factory fuel tank requires. No fuel cells. ALL fuels are permitted. Electric fuel pumps not connected to key switch must have switch clearly marked

11 Suspension: Front and Rear suspension must meet all the requirements listed in "Work Stock Gas" class. No traction bars.

12 Tires and wheels: No Cut, altered, studded, Duals, or tire chains. DOT rated tires and wheels only. Maximum tire size of 35x12.5.

13 Hitch: OEM style, Manufacturer built Class 3 hitches only. No Altered hitch angles. No drawbars. No custom built hitches. Fixed Horizontal clevises only, with a minimum hole size of 3.5"X3.75". Maximum of 26" hitch height. Clevis must extend past the furthest point of the body.

6500 lb. ENHANCED GAS

1. **MANDATORY:** All drivers must have a current valid state driver's license.
2. Class weight is **MAXIMUM** 6,500 lbs with driver.
3. **Ballast:** Ballast is permitted. All ballast must be behind the front grill or securely mounted in rear bed.
Ballast in cab permitted if secure.
4. **Batteries:** The batteries must be securely mounted. They cannot be in the driver compartment or forward of the radiator core support.
5. **Body:** The body must be an OEM truck body, including the full bed floor. The body must retain full sheet metal aftermarket hoods are permitted. The hood must be closed and securely latched while the vehicle is hooked to the sled. The complete OEM firewall and complete OEM floor pan is mandatory. Must have hood, grill, and fenders in place as intended by manufacturer.
6. Complete OEM firewall with no hole are required.
7. **Bumpers:** Front bumpers must be unaltered OEM or equivalent. No homemade bumpers allowed. Brush guards or lower plow frames are allowed as long as they appear unaltered.
8. **Brakes:** Four-wheel hydraulic brakes are mandatory.
9. **Chassis:** The OEM chassis is mandatory. The engine must be in the OEM location for the body used. The vehicle must retain the full OEM chassis. Wheel tubs, back-half conversions, tube chassis, etc. are prohibited.
10. **Cooling System:** Radiators must be in the vicinity of the stock location and be of at least stock size.
11. **Driveline:** An OEM transmission and transfer case is mandatory. They must have been an option on a one-ton or smaller pickup.
12. **Driver Restraint System:** The OEM restraint system is mandatory and must be worn.
13. **Driveshaft Loops:** All trucks must have a minimum of six-inch wide u-joint shields around the rear and the front u-joints constructed of at least 1/4 inch steel or 3/8-inch aluminum that will safely contain

the u-joints and the end of the rear shaft. Chain safety loops are not permitted. Drive shafts must have at least two loops on each shaft with a minimum of 3/4" wide and 1/8" thick steel or 1/4" aluminum with a minimum of 2" clearance.

14. Engine: The engine block must have been available as a factory option on a one-ton or smaller pickup truck. Blocks must circulate coolant freely. Water pumps must be present, but may be powered electrically. The use of concrete or other block fillers is prohibited. All factory belt driven accessories, excluding the air conditioning compressor, must be retained and powered via the crankshaft by a standard serpentine or "V" belt. Electric fans are permitted. Aftermarket radiator assemblies are permitted, but must be securely mounted in the same area as the OEM unit.

15. Aftermarket cast blocks allowed, Aftermarket intakes allowed. Single piece 4-barrel carburetor limited to a 4150 style base. No dominators or split carburetors allowed. Engine driven fans require 360-degree metal shielding. Aluminum heads allowed on small block engines ONLY!

16. Exhaust: Must exit behind cab. Open exhaust is permitted.

17. Fire Extinguisher System: A minimum of a 2lb fire extinguisher must be loaded and in the vehicle.

18. Fuel: Race fuel is permitted.

19. Hitch: Class 3 hitch required. Hitch pin may be no smaller than grade 8 5/8" pin/bolt. Must be attached to the frame only including bracing and supports. No bracing or supports can be attached to the body, Axle, or the suspension. Hook point cannot exceed 26" from the ground. Hook point of hitch must be the furthest point back of the truck. Sled stops are the only thing that may extend rearward of the hitch. Clevis hole must be 3" x 3 3/4."

20. Interior: No batteries, water hoses, fuel lines allowed in cab.

21. Nitrous Oxide: Propane AND THE USE OF OTHER OXYGEN EXTENDERS ARE PROHIBITED. All system components MUST be removed.

22. Rear End: Non-OEM rear-ends housings are prohibited. The rear end must have been an option on a

1-ton or smaller truck. Rear axle bolts to be covered by a cap or shield.

23. Safety: All trucks must have a working kill switch with a minimum of a 2" round diameter ring.

Located in the rear center of the truck easy to reach and free from the chain and draw bar. When pulled must kill all power to the ignition and fuel pump.

24. Drivers must wear a helmet. All other safety and general rules must be followed.

25. Steering: The vehicle must retain the full, original OEM steering gear. The vehicle must retain the original OEM power steering assistance, if it was so equipped. Additional stabilizers are permitted. Non-OEM power assist methods are prohibited.

26. Suspension: The factory suspension configuration must be retained. The upper mounting point for strut assemblies must be in the factory location.

27. Adjustable caster/camber: Pillow ball mounts are permitted. The lower control arm may be strengthened provide factory-mounting points to chassis are maintained. The lower mounting point for the strut assembly may be modified for improved caster or camber. Strut tower braces, lower tie bars, sway bars, and limit straps are permitted. Traction bars and devices are permitted.

28. Suspension, Rear: An OEM-style suspension is mandatory. Traction bars and devices are permitted; they must be bolt on only; welds are permitted for attachment to frame or axle housing. Control arms may be strengthened or replaced, provided all original mounting points are retained. Strut tower braces, lower tie bars, sway bars, limit straps, and camber kits are permitted. The rear suspension may be bolted solid to eliminate travel. Blocking of the rear suspension is permitted.

29. Tires: The tires must be DOT street tires. Cut/Altered tires are prohibited.

30. Transfer Case: Non-OEM transfer cases are prohibited. It must have been an option on a one-ton or smaller pickup truck.

31. Transmission: Must be from a passenger vehicle rated one ton or less. All trucks require a reverse light. Automatic transmissions require a 3 strap SFI approved blanket or a Fair approved Kevlar shield.

Manual transmissions require an Fair approved bell housing.

32. Wheelbase: The vehicle must retain the original factory wheelbase and track width. Front and rear wheels must have same wheel offset. Final decision resides with Tech Officials

6200 LB SUPER STOCK GAS- RULES

1. Max weight of vehicle and driver to be 6200 pounds.
2. Radiators must be maintained and ahead of engine
3. Engine must be behind grill.
4. Dry sump oiling systems permitted.
5. Headers can be upright or downward, open exhaust permitted.
6. Tube frames and modified OEM frames are permitted.
7. Max wheel base 135”.
8. DOT street tires- but may be altered. No bar tires permitted
9. Trucks must have working kill switches, driveline shielding, fire extinguishers, etc
10. Drivers must have fire extinguishers and wear seatbelts.
11. Fiberglass bodies permitted.

WORKSTOCK DIESEL

1. Class is 9000LB with driver
2. **Ballast:** Ballast is permitted, but only in bed of truck. No hidden weight anywhere on or in truck. If hidden weight is found, competitor will be disqualified and/or forfeit his/her entry fee.
3. **Batteries:** Batteries must be securely mounted. They may NOT be relocated or removed from factory location.
4. **Body:** Body must be OEM truck body; including bed floor. Only exceptions are aftermarket hoods and truck beds. Hoods must be latched securely latched while pulling aftermarket beds. If equipped with aftermarket bed; bed must weigh more than a factory box. Weight of bed will be at official discretion.
5. **Brakes:** Four wheel working brakes, in factory configuration are required.
6. **Chassis:** OEM Chassis is mandatory. Engine must be in OEM Location.
7. **Cooling Systems:** Radiators and intercoolers must be in factory location. Coolers must be of OEM size (official's discretion).
8. **Credentials:** All drivers must have valid driver's licenses. All vehicles must have valid registration, inspection, and insurance.
9. Driveline: OEM transmission/transfer case for that year/model/make vehicle only.
10. Differential/Axles: Must be OEM, correct for year/make/model.
11. Steering: Steering must be OEM configuration for year/make/model with exception of up to (2) steering stabilizers.
12. **Suspension:** OEM suspension correct for year/make/model only. NO suspension stops other than factory equipment. No traction/ladder bars. No blocking solid. No materials may be added to limit suspension travel.
13. **Hitches:** Class 3-5 Hitches only. Receivers must be factory or OEM made and attached in factory intended location. No sliding/moving receivers forward on frame. No homemade receivers may be

used in this class. Hitches must have a hole no smaller than 3 ½" x 3 ¾." Hitch must be no higher than 26" from ground in a position that it would be in while hooked to transfer sled. Swinging clevises must be in a horizontal position and no more than 26" high when placed parallel with ground.

14. **Tires:** DOT approved tires only. No studs or chains.

15. **Nitrous Oxide/Propane:** NOS/propane/or any other oxygen extender is prohibited. All equipment used for these must be removed.

16. **Turbochargers:** OEM charger correct to year/make/model of vehicle must be used.

17. **Exhaust:** No Hood Stacks.

18. No jumping up to 2.5 class.

19. Vehicles must be driven into the fairgrounds.

8500 lbs. Open Diesel

1. Class weight is 8500 lbs. maximum with driver.
2. **Ballast:** Ballast is permitted. Hanging/hidden front weights are prohibited. Ballast may be added in the bed of the truck. If used, ballast must be securely fastened to the bed of the truck. Final decisions rest with the tech official. Ballast in cab is prohibited.
3. **Batteries:** The Batteries must be securely mounted. They may not be located in the driver compartment or forward of the radiator core support.
4. **Body:** The body must be OEM truck body, including the full bed floor. The body must retain all original sheet metal. The hood must be closed and securely latched while the vehicle is hooked to the sled. The complete OEM firewall and OEM floor pan is mandatory.
5. **Brakes:** Four –Wheel hydraulic brakes are mandatory and must be functional.
6. **Chassis:** The OEM chassis is mandatory. The engine must be in the OEM location for the body being used. The vehicle must retain the full OEM chassis. Wheel tubs, back half conversions, tube chassis, etc are prohibited.
7. **Cooling Systems:** Radiators must be in the stock location and must be must be of at least stock size.
8. **Credentials:** All drivers must have a current valid driver's license.
9. **Driveline:** An OEM transmission and transfer case are mandatory.
They must have been an option on a one-ton or smaller pick up.
10. **Driver Restraint System:** The OEM restrain system is mandatory and must be worn. Helmet must be worn when pulling.
11. **Drive Shaft Loops:** All trucks must have a minimum of 6" wide U- joint shields around for rear U- Joint to accumulate points. Constructed of at least quarter inch steel or 3/8-inch aluminum that will safely contain the U-joint and the end of the rear shaft. Any U- joint on the front axle that can be seen from the front or the side of the truck must be shielded the same as all other u-joints. All shielding must

be securely mounted to the vehicle.

12. **Engine:** The engine is limited to a stock appearing, OEM compression engine, available from the factory in a one ton or smaller truck. Cubic inch limit of 444 cu in.

13. **Blocks:** must circulate coolant freely. No hard-filled blocks. Water pumps may be electric or factory. All factory belt driven accessories, excluding air conditioner compressor must be retained and powered via the crankshaft by a standard serpentine or v belt or belts. Electric cooling fans are permitted. NO SIDE DRAFT/RUNNER STYLE INTAKES PERMITTED.

14. **Exhaust:** The exhaust must exit rearward of the driver's compartment. Stacks exiting through the hood or fender well are prohibited. If the muffler or catalytic converter have been changed from stock, two 3/8-inch diameter bolts must be installed through the exhaust pipe in a cross pattern within one inch of each other as close to the turbo as is practical. Upward exhaust required for all vehicles pulling for points.

15. **Fire Extinguisher System:** A fire extinguisher system is permitted. It must be securely mounted. All vehicles must have at least a 2 1/2 lb. fire extinguisher with working gauge mounted within drivers reach.

16. **Fuel:** The fuel must be pump #1 or #2 diesel only. Soy/Bio-diesel fuel is permitted.

17. **Fuel Injection Pump:** The fuel injection pump is limited to cylinder number specific (i.e. 6-cylinder pump on 6-cylinder motor). Dual high pressure common rail fuel pumps or HPOPs are permitted. The P pumps that are allowed are the p3000 and the p7100. Ag governors are not allowed. No sigma or 12 cylinder pumps allowed.

18. **Fuel System:** The OEM tank is mandatory and must be used. Racing fuel cells are prohibited and must be removed from the vehicle.

19. **Harmonic Balancer:** All engines turning 4500 RPM and higher must be equipped with a harmonic balancer or damper meeting SFI Spec 18.1.

20. **Hitch:** The hitch must be a receiver-style hitch; reinforcements are permitted.

21. **Reinforcements** must not extend forward of the centerline of the rear axle and must remain inside of the frame rails. The hooking point may be no closer than 44" from the centerline of rear axle (will be measured where sled hook rests). The hitch must be horizontal to the ground and stationary in all directions. Bumper may be notched or removed. Hitch height from the ground may not exceed 26 inches. The hooking point must have a minimum 3x3.75 inches inside diameter opening for the sled hook. Trick hitches/drawbar styles are prohibited. Trick hitches will be determined by Fair tech official.

22. **Intercoolers:** Factory style or aftermarket air to air replacement only in the stock location. **AIR TO WATER INTERCOOLERS ARE PROHIBITED.** Any means of cooling the air before the engine is prohibited. **NO USE OF ICE OR WATER.**

23. **Interior:** A complete interior, including dashboard, door panels, headliners, etc. is mandatory. Two matching front seats are mandatory. Aftermarket seats are permitted; they must be fully upholstered. All factory controls (lights, signals, horn, window's, wipers, etc.) must be retained and be operative. The use of hand- throttle controls is prohibited.

24. **Nitrous Oxide/Propane:** Nitrous Oxide is prohibited. No other oxygen extenders are allowed. Propane is prohibited. All system components must be removed from the truck. No pressurized bottles.

25. **Rear-end:** Non-OEM rear-end housings are prohibited. It must have been an option on a one-ton or smaller pick up. Rear axle bolts must be covered by a cap or shield.

26. **Steering:** The vehicle must retain the full, original OEM steering gear. The vehicle must retain the original OEM power steering assistance, if it was so equipped. Additional stabilizers are permitted. Non-OEM power assist methods are prohibited.

27. **Street Equipment:** Complete headlight and taillight assemblies (all) are mandatory and must be operative. Complete OEM windshield and windows are mandatory.

28. **Windows:** must be operative per factory specifications: that is, they must open and close via OEM

electrical mechanical means.

29. **Suspension, Front:** The factory suspension configuration must be retained.

30. **Modifications to the front suspension** that would alter the original location (I.e. moving it forward or backward) is not permitted. Strut tower braces, lower tie bars, sway bars, and limit straps are permitted. Traction bars and devices are permitted.

31. **Air shocks are prohibited.** Final decision rest with the SPI tech department.

32. **Suspension, Rear:** An OEM- style suspension is mandatory. Traction bars and devices are permitted; they must be bolt-on only; welds are permitted for attachment to frame or axle housing. All OEM suspension mounting points must be retained and used. All rear suspensions must use at least one working shock absorber per wheel. Limiting straps prohibited. Rear suspension blocks are permitted with at least 1" of suspension compression from ride height. Air bag spring assistance is permitted; air bag compressors must be disconnected.

33. **Tires:** Tires must be DOT street tires. Cuts tires are prohibited. The use of dual rear wheels is prohibited.

34. **Transfer case:** Non-OEM transfer cases are prohibited. The transfer case must have been an option on a one-ton or smaller pickup truck.

35. **Transmission, Automatic:** Non-OEM transmissions are prohibited. All vehicles with engines running 4500 RPM or more using an automatic transmission must be equipped with a transmission shield meeting SFI Spec 4.1 and must be label accordingly. A blanket-type shield is permitted; it must be appropriately labeled as meeting SFI Spec 4.1 and it must extend from the rear of the block to the front of tail housing with a minimum of six-inch overlap where it is fastened. All non-blanket type shields must incorporate two (or one, per manufactures instructions) 3/4 inch by 1/8 inch straps that bolt to the shield on each side and pass under the transmission pan unless the transmission pan is labeled as meeting SFI Spec 4.1. All vehicles with engines running 4500 RPM or more and using automatic

transmissions must be equipped with flex plate meeting Fair Spec 29.1 and covered by a flex plate shield meeting SFI Spec 30.1.

36. Transmission, Manual: Non-OEM transmissions are prohibited. A clutch meeting minimum SFI Spec 1.1 or 1.2 is mandatory on all vehicles with engines running 4500 RPM or more. All manual transmissions must be clutch assistant. Sequential shifters are prohibited. All vehicles with engines running 4500 RPM or more equipped with a manual transmission must have a fly wheel shield labeled as meeting minimum SFI Spec 6.3 or greater. Applications for which a Fair Spec flywheel shield is not available may use a properly attach SFI 4.1 OR 4.2 blanket that completely covers the bell housing, it must be attached to the block and extend rearward to the transmission with a minimum of six-inch overlap where it is fastened.

37. Turbocharger: The engine is limited to a single small frame (S300, GT4094, HX40 or smaller) turbocharger, the compressor inducer being 2.5" in diameter and will be measured using a 2.55" plug. Bushings are permitted but must be non-removable, the bushing must maintain a 2.5" diameter for at least 0.250" in front of the compressor wheel, and may be no farther than 0.175" from the face of the compressor wheel at any point. A map width enhancement (MWE) groove is allowed in the original location with a maximum width no greater than 0.200" at any point, any provision allowing air into the wheel other than via the bore and MWE groove is prohibited. Ford 6.4L Power Stroke engines may utilize the factory compound turbo configuration in OEM stock form only (2.59") atmosphere inducer. Aftermarket exhaust manifolds are permitted with a flange dimension no larger than T4 (3.500 x 2.750"). The vehicle's driver will be responsible for making the compressor wheel/bore accessible for inspection by the Fair Tech Officials.

Turbocharger; 2.6" Smooth Bore: The vehicle is limited to a single 2.6" inducer bore turbocharger. The compressor wheel must protrude into the 2.6" bore no less than 1/8". The inlet will be measured using a 2.605" plug; the plug must not be able to enter the inducer bore. MWE grooves are prohibited; the

turbo inlet must be smooth bore. The vehicle's driver will be responsible for making the compressor wheel/bore accessible for inspection by the Tech Officials.

38. **Water Injection:** A Water injection is prohibited. All system components must be removed from truck.

39. **Wheelbase:** The vehicle must retain the original factory wheelbase and track width.

40. **Front dual wheel:** spacers may be used only with accompanying positive-offset dually style wheels.

Front and rear wheels must have same wheel offset. Final decision resides with Tech Officials.

8000 Lbs. 2.6 DIESEL

1. Class weight is **8000 lbs.** with driver.
2. **Ballast:** Ballast is permitted. Front hanging weights may not extend more than 60 inches from the centerline of the front axle.
3. **Batteries:** The batteries must be securely mounted and concealed. They may not be located in the driver compartment.
4. **Body:** The body must be an OEM truck body, including the full bed floor. The body must retain full sheet metal. The hood must be closed and securely latched while the vehicle is hooked to the sled. The complete OEM firewall and complete OEM floor pan is mandatory. A factory install or commercial style aftermarket bed must be installed. No Flat beds. Must have complete bed floor.
5. **Brakes:** Front hydraulic brakes are mandatory.
6. **Chassis:** The OEM chassis is mandatory. The engine must be in the OEM location for the body used. The vehicle must retain the full OEM chassis. Wheel tubs, back-half conversions, tube chassis, etc, are prohibited.
7. **Credentials:** Drivers must have a current valid state driver's license.
8. **Driveline:** An OEM transmission and transfer case is mandatory. They must have been an option on a one ton or smaller pick up. Open driveline allowed with 3.0 smooth bore turbo only.
9. **Driver Restraint System:** The OEM restraint system or SFI approved 5-point harness is mandatory and must be worn.
10. **Drive Shaft Loops:** All trucks must have a minimum of 6" wide U- joint shields around for rear U-Joint. Constructed of at least quarter inch steel or 3/8-inch aluminum that will safely contain the U-joint and the end of the rear shaft. Any U-joint on the front axle that can be seen from the front or the side of the truck must be shielded the same as all other u-joints. All shielding must be securely mounted to the vehicle.

11. **Engine:** The engine block must have been available as a factory option on a one ton or smaller pickup truck. Cubic Inch limit of 460 CI. Water pumps may be factory or electric powered. Electric cooling fans are permitted. No billet aluminum or billet steel heads. NO DECK PLATE ENGINES PERMITTED.

12. **Exhaust:** All vehicles must be equipped to direct exhaust upward including stock exhaust systems. Hood stacks are permitted. Two 3/8-inch diameter bolts must be installed through the exhaust pipe in a cross pattern within one inch of each other as close to the turbo as is practical.

13. **Fire Extinguisher System:** A fire extinguisher is permitted, it must be securely mounted. All vehicles must have at least a 2 1/2 LBs extinguisher with a working gauge mounted within driver's reach.

14. **Fuel:** The fuel must be pump #1/#2 diesel only. Soy/Bio diesel fuel is permitted. A fuel cell may be used in place of the factory fuel tank; fuel is not permitted in driver's compartment.

15. **Fuel Injection Pump:** A fuel injection pump is limited numbers specific (I.e. 6 cylinders pump on a 6 cylinder motor). Dual high pressure common rail fuel pumps or HPOPs are permitted. AG governors are permitted. No Sigma or 12 cylinder pumps allowed.

16. **Harmonic Balancer:** All engines turning 4500 RPM or higher must be equipped with a harmonic balancer or damper meeting SFI Spec 18.1.

17. **Hitch:** Hook point must be no closer than 44 inches of centerline of rear axle (will be measured where sled hook rests). Hitch height maximum of 26 inches for 4-wheel drive pickups and maximum 30" for 2-wheel drive with a minimum of a 3.0"x3.75" opening. Hitch point must be easily accessed. No "trick" type hitches permitted.

18. **Hitch** must be stationary in all directions. Reinforcements must not extend forward of the centerline of the rear axle and must remain inside of the frame rails. Hitch must not exceed a maximum of 25-degree angle from pivot point to hook point.

19. **Intercoolers:** Factory style or aftermarket intercoolers are allowed. Water to air intercoolers

allowed. Ice and water must be weighed at time of crossing the scales.

20. **Interior:** The vehicle must be equipped with at least one seat for the driver; it must be properly installed. Either the normal foot throttle or an approved spring-loaded hand throttle will be permitted in this class.

21. **Kill switches:** All trucks are required to have a kill switch located on the back of the truck, located near the hooking point. They must have an air guillotine of the spring-loaded type. If during competition the kill switch slides loose or falls out distance will be measured. Securing the kill switch is the driver's responsibility.

22. **Nitrous Oxide:** Nitrous oxide is prohibited. No other oxygen extenders are allowed.

23. **Propane is prohibited.** All system components must be removed from the truck.

24. **Rear-end:** Non-OEM rear-end housing are prohibited. The rear-end housing must have been for a one ton or smaller pick up. Rear axle bolts must be covered with a cap or shield.

25. **Safety Equipment:** All drivers must wear a helmet, long pants, not necessarily fire suit pants, leather shoes.

26. **Steering:** The vehicle may retain the original OEM steering gear or use of hydraulic steering.

Additional stabilizers are permitted.

27. **Street Equipment:** Complete headlight and tail light assemblies (all) are mandatory. Complete OEM windshield is mandatory. Driver's window must be operative.

28. **Suspension, Front:** The factory suspension configuration must be retained. Modifications to the front suspension that would alter the original location (i.e. moving it forward and backward) is not permitted. Strut tower braces, lower tie bars, sway bars, and limit straps are permitted. Traction bars and devices are permitted. Air shocks are prohibited.

29. **Suspension, Rear:** Solid rear suspension permitted. Air bag spring assist permitted.

30. **Air bag compressors must be disconnected.**

31. **Tires:** The tires must be D.O.T street tires, with a tire limit size of 35 inches. Cut tires are prohibited.

32. **Transfer Case:** Non-OEM transfer cases are prohibited. It must have been an option on a one ton or smaller pickup truck.

33. **Transmission, Automatic:** Non-OEM transmissions are prohibited. The transmission must have been an option for a one ton or smaller pickup truck.

34. **Aftermarket torque converters,** valve bodies and internal components are permitted. Transmission brakes are prohibited. ANY Non-OEM floor mounted automatic shifter must be equipped with a spring-loaded positive reverse lockout device to prevent the shifter from accidentally being put into reverse. A functional neutral safety switch is mandatory. Vehicle must not start in gear. All transmission lines must be metallic or high pressure type hose.

All automatic transmissions must be equipped with a transmission shield meeting Fair Spec 4.1 and must be labeled accordingly. A blanket type shield must be used and appropriately labeled as meeting Fair Spec 4.1 and it must extend from the rear of the engine block to the rear of the tail housing with a minimum of six inch overlap where it is fastened. All vehicles using an automatic transmission must be equipped with a flex plate meeting SFI Sec 29.1

35. **Transmission, Manual:** Non-OEM transmissions are prohibited. The transmission must have been an option on a one ton or smaller truck. Aftermarket internal components are permitted. A clutch meeting minimum SFI Sec 1.1 or 2.1 is mandatory on all engines. All manual transmissions must be clutch assisted. Sequential shifters are prohibited. All transmissions must have a fly wheel shield labeled as meeting minimum SFI Spec 6.3 or greater. Applications for which a SFI Spec fly wheel shields is not available may use properly attached SFI 4.1 or 4.2 blankets that completely covers the bell housing. It must be attached to the rear of the engine block and extend rearward to the transmissions with a minimum of six- inch overlap where it is fastened. All transmissions or clutch pedals will have a safety interlock switch so that the vehicle will not start in gear.

36. **Turbocharger; 2.6" Non-Protrusion:** The engine is limited to a single turbocharger, the compressor inducer being 2.6" in diameter and will be measured using a 2.65" plug. Bushings are permitted but must be non-removable, the bushing must maintain a 2.6" diameter for at least 0.250" in front of the compressor wheel, and may be no farther than 0.175" from the face of the compressor wheel at any point. A map width enhancement (MWE) groove is allowed in the original location with a maximum width no greater than 0.200" at any point, any provision allowing air into the wheel other than via the bore and MWE groove is prohibited. The vehicles driver will be responsible for making compressor wheel accessible for SPI tech personnel to measure bore and able to inspect compressor wheel.

37. **Turbocharger; 2.6" Protrusion:** The vehicle is limited to a single 2.6" inducer bore turbocharger. The compressor wheel must protrude into the 2.6" bore no less than 1/8". The inlet will be measured using a 2.650" plug, the plug must not be able to enter the inducer bore. A map width enhancement (MWE) groove is allowed with a maximum width no greater than 0.200" at any point, and an overall diameter any greater than 3.700" at any point. Any provision allowing air into the wheel other than via the bore and MWE groove is prohibited. The vehicle's driver will be responsible for making the compressor wheel/bore accessible for inspection by the Fair Tech Officials.

38. **Turbocharger; 3.0" Smooth Bore:** The vehicle is limited to a single 3.0" inducer bore turbocharger. The compressor wheel must protrude into the 3.0" bore no less than 1/8". The inlet will be measured using a 3.005" plug, the plug must not be able to enter the inducer bore. MWE grooves are prohibited, the turbo inlet must be smooth bore. The vehicle's driver will be responsible for making the compressor wheel/bore accessible for inspection by the Fair Tech Officials.

39. **Water Injection:** Water injection is prohibited. All system components must be removed from truck.

40. **Wheelbase:** The vehicle must retain the original factory wheel base and track width. Cab and chassis trucks may not exceed 172 inches, center to center of axles.

41. **Front dual wheel spacers** may be used only with accompanying positive-offset dually style wheels.

PROTEST PROCEDURE

1. All protests must be made in writing and submitted and signed within five (5) minutes of class being protested has completed. Protest must clearly define three items, (A) Who is protested, (B) What they are protested for, limited to one (1) item per protest, and (C) who is protesting.
2. All protest fees will be in cash. If protested vehicle is found legal, then fee will be forfeited to person found legal. If vehicle is illegal, then vehicle is disqualified with a loss of purse & points and fee is returned to protester.
3. Fee for protest is as follows fuel, Visual, Turbo, and Performance Enhancements. Any competitor knowingly competing with performance enhancing equipment or illegal fuels and verified by a Head Tech Official at the event will be disqualified for a period of one year and ten days and including actions discovered by protests, at all associated Fair events. Suspensions will include driver and vehicle.
4. The officials and the protested are the only people allowed near the vehicle during protest.
5. Anyone causing disruption during a protest will be disqualified.

Please contact the Fair Office with any question at 607-263-5289.

RULES:

1. Entries should be made with the Fair Entry Clerk by June 15, 2026. Please use appropriate entry form
2. **Exhibits must be in place by Sunday night, August 2 at 4 pm.** They may be picked up after 8 pm the last day of the Fair.
3. **The THEME TITLE must be displayed in the exhibit.**
4. **THE COMMITTEE ENCOURGES NO MORE THAN ONE-THIRD OF THE BOOTH BE OCCUPIED WITH PRINTED MATERIAL.**
5. Judging will be based on the following score
 - a. Workmanship and originality.....30
 - b. Development of the subject.....20
 - c. Attractiveness/arrangement.....20
 - d. Educational value.....30

As we celebrate 250 years

The theme for the Community Grange exhibits will be A Stand for Freedom-The Birth of the Nation.

The Theme for the Pomona Grange Committee exhibits will be grange related and judged separate from Community Grange exhibits.

Scores of 85 to 99 will receive a Blue Ribbon and prize money

Scores of 75 to 84 will receive a Red Ribbon and prize money

The Best of Show (Community Grange) will receive an extra prize of \$10.00

Baby Crawl and Walk
Saturday, August 8, 2026 at Noon
Otsego County Fair Morris- At the Grange Building

Contest Rules and Regulations

1. Any baby who is crawling or walking is eligible to participate.
2. Parents are welcome to coax their child towards the finish line using a props.. We ask one adult be at the start lie and one adult at the finish line. No other people are allowed at the finish line other than one parent. .
3. If you touch the child once the race starts the baby will be disqualified.
4. Walkers up to 36 months.
5. A mat will be placed on the floor for the children to crawl/walk on. The number of contestants will determine if more than one heat is needed. If more than one heat is needed, the winner of each heat will compete in a final race. Heats will begin at
- 6. Contestants can register in advance or on the day of the event at the Grange Building located on the Fair Grounds by 11:30 am**
7. THIS IS A FREE CONTEST
8. Cash prizes for First, Second and Third places of \$10. \$7 and \$5.
9. Waiver: By participating in the Baby Crawling/Walking Contest, you hereby release, discharge and agree to save harmless Otsego County Fair and Otsego County Grange and all persons acting under its permission or authority from any liability or injury that may occur while participating in the Baby Crawl/Walk Contest.
